

## 20B120433-1001 FC1000 LHCD F18

### F-18F Left Hand Grip w/ DZUS mount top plate

- Grip has the same fit, form and function as the aircraft.
- All switches, knobs, buttons, etc. are high fidelity replications of the actual aircraft.
- Unit I/O is via Bugeye's standard USB/Ethernet card
- Switches are individually replaceable.
